

FASTR quiz — team answer sheet

Activity · FASTR Quiz · ~30 min

HOW IT WORKS

Work in **teams**, one sheet per team

You may use the **AI Assistant** to find answers — or answer from what you know

Circle one answer per question

Check answers together with the facilitator at the end

1. What does FASTR stand for?

- A. Facility Assessment and Strategic Tracking Registry
- B. Frequent Assessments and System Tools for Resilience
- C. Framework for Analyzing Service Trends and Reporting

Your answer: ☐ A ☐ B ☐ C

2. What are FASTR's 3 data quality dimensions?

- A. Accuracy, timeliness, completeness
- B. Validity, reliability, consistency
- C. Outliers, completeness, internal consistency

Your answer: ☐ A ☐ B ☐ C

3. What are the 4 technical pillars under FASTR?

- A. Health facility assessments · Community health worker monitoring · Supply chain tracking · Financial management systems
- B. RMNCAH-N service use analysis (HMIS) · Facility phone surveys · Household/client phone surveys · Rapid qualitative studies
- C. Data collection · Data analysis · Data visualization · Data dissemination

Your answer: ☐ A ☐ B ☐ C

4. A district reports 200 ANC1 visits but 350 ANC4 visits. Which data quality metric does this challenge?

- A. Consistency — ANC1 should always be higher than ANC4
- B. Completeness — missing ANC1 records from some facilities
- C. Timeliness — ANC1 data from the previous period was delayed

Your answer: ☐ A ☐ B ☐ C

5. ANC1 coverage — what is the target population?

- A. Pregnant women
- B. Women of reproductive age (15–49 years)
- C. Total population in the catchment area

Your answer: ☐ A ☐ B ☐ C
